9 More Reasons Why You Will Want to Do Business Us

Our Friends say it best, "we exceed expectations"

My family has been with Bill for years and now has worked with Jessica and Rebekka too and we couldn't be happier with having all our policies through them. The rates and different coverages they find for us helps us save money and feel secure rather than buying policies online. Super trustworthy. **Bethany Aleshire 12/26/2018**

My husband and I had never been treated so graciously. Bill Butler and Bekka Renner both greeted us in the office. Our proposal was typed out and explained in easy to understand terms. Greg and I felt comfortable, we were not forced into any decisions. The options were presented to us and we chose the best one. No pressure, just an enjoyable and smart presentation. Bill and Bekka did their homework. Thank you, - **Greg & Bridget Kotek 2/1/2019**

A BIG thank you to you and Bill for helping reduce my auto premium. Together, you saved me a lot of money. I appreciate your dedication to getting this issue resolved. This is one of the many examples over the years why I have stayed with Butler & Associates Insurance. - **Jane Scattarelli 3/5/2019**

I have recently switched to the Butler & Associates' Insurance from my long-term Liberty Mutual commitment, and have already appreciated the unique combination they offer: the benefits of your smaller hometown, family-like agency (personable, approachable and highly responsive), plus a big player's efficiency. Ms. Rebecca Renner - my agent @ the Butler Insurance Agency - was very nice and extremely considerate of my specific needs, and very willing to continue working on customizing my policy until we have reached a full consensus on all issues. She was also absolutely fantastic in providing a comprehensive explanations to all of my questions (I had a lot!) and proactive with identifying the ways to make my policy more affordable but yet effectively covering all the essentials. Strongly recommend! **Natalia Krylova 3/12/2019**

The service provided is competitively priced. Because they can use products from several companies, I am getting what I need, not what they are pushing. The personal service both on the phone and online is unmatched in the businesses that I deal with in running our household. **Rick Rexroth 3/12/2019**

I recently purchased a new home and I am in the process of selling my other home. The insurance changes and different policies involved are a very complicated process and Jessica at Butler and Associates has been an angel in this process. She is very patient and explain everything, even in different ways

if necessary, so that I understand what is going on. In the past the associates have even contacted me ahead of time when I need an insurance change due to rate hikes. I could not be happier with such dedication that this company offers. **Ana Matos 10/11/2018**

Bill has delivered excellent customer service to us. He is always easy to reach, very efficient, and keeps the clients needs and wants at the top of his list. We couldn't be happier! **Mallory Blexrud 10/24/2018**

Excellent customer service and knowledge of the industry! I am so happy I switched to Butler Agency. Kudos to Dan and Linda! **Jodeen Larson 2/1/2018**

We were looking for honesty, integrity and customer-service branded service from an insurance broker. After having met with Bill and discussing our wants and needs for the current stage in our life, we determined that our needs would be met by Butler & Associates. We felt even better using a this agency and seeing the value placed on the family business. We will be referring friends and family to Bill/Butler & Associates. **John & Lizz Pichner. 6/26/2017**

A Lifetime Of Service:

As the President of Butler & Associates Insurance and Founder of Butler Vet Insurance my lifetime of service started in 1993 with the United States Military. As a more than 12 year veteran of the MN Army National Guard and U.S. Army, I dedicated myself to *leading the way* as an Airborne Ranger & member of the 101st Airborne Pathfinder Company. Today my team and I serve in a different role protecting our customers with that same level of drive and dedication I had in the military. Since 2004 when I joined my parents at their independent insurance agency, I have made insurance education and protecting everything my clients have worked so hard for my number one priority. I not only serve my customers but, as a member of the Apple Valley Rotary Club I help the local regional and international community.
